PROFESSIONAL EXPERIENCE

Game Artist and UX/UI Designer March 2024 - Present

Amorphous Arts - Game Development Community - Remote

Leading and collaborating in a remote team to develop a computer game by applying my experience in UX/UI design, art, and project management

- Creating character concept art, menu interfaces, and UX designs to progress in the game's development
- Facilitating and recording discussions and tasks to solve problems during the project

Artist, User Interface Designer, Copyeditor Feb 2018 - Present

Self-employed - Remote

Managing a business serving clients by regularly communicating with them about their needs regarding art, user interface design, and copyediting

- Created art assets for a client's mobile puzzle game, including characters, environments, props, and animations
- Designed interfaces for a photography organization's website, web application for business management, and my own mobile pet simulator game
- Edited and proofread academic blog posts for grammar, content accuracy, and creativity

Office Managing Clerk June 2012 - Feb 2018

Dr. Hailiu Zuo (Primecare) - Queens, NY

Co-managing a fast-paced doctor's clinic by housekeeping the office, professional and pleasant interaction with patients, maintaining records, and assisting the doctor in various tasks

- Organized patient records and performed housekeeping of office with attention to detail
- Informed patients regarding their health, office processes, and their questions
